Developer settings

Change password

Old password

New password

Confirm new password

Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter. [Learn more.](#)

[Update password](#) [I forgot my password](#)

Two-factor authentication

Two factor authentication is not enabled yet.

Two-factor authentication adds an additional layer of security to your account by requiring more than just a password to log in. [Learn more.](#)

[Enable two-factor authentication](#)
